## **Art. 1 - The foundation and organization**

1.1. *Med-Limes "At the Borders of the Mediterranean Sea"* was born as the International Short Film Exhibition that focuses on hot topics of our era. The drama of immigration and the scarcity of water resources and food products to meet the needs of millions of individuals, the discrimination against other cultures are the themes and contents on which are based the cinematographic productions which participate to the contest. The International Short Film Exhibition takes place in the first edition on 24-25-26 May 2018 at Salerno.

1.2. The International Short Film Exhibition is promoted by FONMED – Fondazione Sud per lo Sviluppo e la Cooperazione nel Mediterraneo. The festival is opened to the productions of professional filmmakers and directors belonging to the Mediterranean area.

## **Art. 2 - Objectives**

2.1. The general objectives that the International Short Film Exhibition *Med-Limes "At the Borders of the Mediterranean Sea"* proposes to pursue are:

- Use the medium of cinema to spread and make known the different cultures and identities that coexist in the Mediterranean area.
- Promote cinematographic productions minors, art works by emerging filmmakers who have a great cultural value.
- To focus on the themes of the safeguard of biodiversity, of the adoption of instruments and systems that allow to drill a sustainable agriculture.

SALERNO 24-25-26 MAGGIO 2018
